Message from the President

Hello everyone! Hope you are having a pleasurable summer. This is a very short letter to update you with what's going on. The 2010 Westfield International Air show is August 21 & 22. We will be there in force with many items on display including our M59, 5ton tractor & several jeeps. Also, some very interesting guests will be at our booth. We are having our annual Hangar Dance September 11, 2010. Please come to this one. We had a blast last year, and this years event will be even bigger. See the next page for details. Later this fall, we are planning a trip the Intrepid Museum. Please stay tuned for more information. I look forward to seeing you at these events. Enjoy the rest of the summer!

Leo Dube, President/PVMTM
